Fire and River Rescue calls- 2020

CHIEF'S REPORT

As the Corona Virus spreads more widely, I would request everyone to take precautions and keep safe. During Emergency calls we have instituted safety protocols for our members when engaging with people to protect everyone from further spread. We continue to maintain our regular service availability for any emergencies which might arise. I would like to wish everyone a merry Christmas and Happy New year from everyone at the Neville island Fire Department

Stop the Spread of Germs

Help prevent the spread of respiratory diseases like COVID-19.

Stay at least 6 feet (about 2 arms' length) from other people.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash and wash your hands.

When in public, wear a mask over your nose and mouth.

Do not touch your eyes, nose, and mouth.

Clean and disinfect frequently touched objects and surfaces.

Stay home when you are sick, except to get medical care.

Wash your hands often with soap and water for at least 20 seconds.
