IMPORTANT NOTICE

Dear Customer,

Please be advised that your backflow prevention device is due to be tested by June 1, :

Neville Township is partnered with VEPO CrossConnex to help us convert to a more efficient management program. All tests and test data must be submitted by your tester using VEPO CrossConnex software. Testing must be performed by a certified backflow prevention tester pursuant to Pennsylvania Department of Environmental Protection regulations, Part VII of document number 383-3100-111.

HAVE YOUR TESTER REGISTER NOW TO ENSURE COMPLIANCE:

If your tester needs help setting up their profile with VEPO CrossConnex after downloading the application, or have any technical questions regarding the software, please call VEPO CrossConnex at **877-860-2776** for assistance.

Your certified tester can download the free mobile application from the Apple App Store for Apple devices or Google Play for Android or use any PC to access our web portal at www.VEPOcc.com. Please notify your tester of your VEPO CrossConnex (VCC) number listed above. The tester will need this VCC number to submit your test with the VEPO CrossConnex software.

Certified Tester - Data Submission:

- All annual backflow assembly test reports must be submitted electronically via the VEPO CrossConnex Mobile Application which can be downloaded at the Apple App Store or Google Play. If you prefer, test data can also be entered from any PC by visiting www.Vepocc.com.
- Please make sure to obtain the VEPO CrossConnex (VCC) Number from your customer. The VCC# will be needed to access your customer's records.
- Educational videos on how to set up and use the app can be found at www.vepocrossconnex.com.

Certified Tester - Filing Fees:

Filing fees will remain the same as previous filing fees

- The filing fee for backflow assemblies is \$15.00 per test report.
- The fee is per backflow assembly test report submitted.
- The fee is paid by the credit card used to establish their account.

If you have any specific account questions, please call our backflow department at 412-264-1977.

Sincerely,
Mark Stewart
