

# Stay Informed – Always Be Notified

## SIGN UP TODAY TO RECEIVE NEVILLE TOWNSHIP ALERTS

Sign up online to receive emergency alerts and notifications via phone call, text or email

In order to provide reliable and effective communications with our citizens and utility customers, Neville Township utilizes an Emergency Notification System provided by *RAVE Alerts* and powered by *Smart911*.

The Township will use RAVE Alerts to notify citizens by phone, text, and email in the event of an emergency that may impact our local community. Examples include a public drinking water notification or evacuation for flood or fire.

The current RAVE database only includes landline phone numbers listed and located in Neville Township. It is important that residents and business owners provide additional contact information, such as unlisted or cell phone numbers. You may also wish to add a phone number for a family, friend, or caretaker who would assist you during an emergency.

**NEW** – In addition to emergency alerts, citizens now have the option to request notifications by email and text for *important, non-emergency information* for utilities, garbage collection and Township events.

*All messages will be identified by caller ID and the Township Logo. Your information will NOT be provided to any outside agency or companies.*

### TO SIGN-UP FOR NEVILLE TOWNSHIP EMERGENCY ALERTS AND/OR IMPORTANT NOTIFICATIONS

1. Go to [www.nevilletownship.us](http://www.nevilletownship.us).
2. From our homepage, click the RAVE MOBILE SAFETY LINK.
3. A new page will open prompting you to enter your information.
4. Add your address to receive alerts specific to your neighborhood or street.
5. Indicate the types of alerts you want to receive – just emergency or opt in for non-emergency.
6. Indicate how you want to be notified – by text, email, and/or voice message.
7. Create an account to change or update your information anytime.
